(O) Temporal Structure Table (O)

Temporal Phase	Function
Antechrony	The primordial absence of time - pure potential, no sequence.
Past	The record of completed events, immutable in occurrence.
Precept	The perception and reinterpretation of the Past through awareness.
Present	The living edge of action, where change unfolds.
Postcurrent	The immediate after-effect of present actions, near-future ripples.
Future	The broad field of all possible unfoldings.
Futuralis	The idealized future - dreams, aspirations, destinies.
Futurum	The realized future - possibilities fulfilled into new foundation.

~ Spatial Motion Verbs Table ~

Spatial Axis	Motion Verb	Expansion Form
Length	Longing	Lengthening
Width	Widing	Widthening
Height	Heightening	Heightening
Depth	Deepening	Depthening

(O) Soul-Becoming-Time Relationship Table (O)

Concept	Role
Soul	The living field of awareness, memory, and aspiration enduring through change.
Becoming	The dynamic process of unfolding potential into realized existence.
Time (Tyme)	The sacred ordering of change, linking memory, action, consequence, and aspiration.
Relationship	The Soul moves through Becoming, within the unfolding structure of Tyme.

* Tyme, Mist, Myst Table *

Concept	Domain
Tyme	Temporal
Mist	Perceptual
Myst	Ontological (Sacred Being)

- *Tyme: The living, breathing unfolding of existence.*

- *Mist: The veiling of clarity; the gentle field where potential becomes perceptible.*

- *Myst: The luminous unknown where truth resides beyond comprehension.*
